Stewardship Campaign 2025

October will be observed as Stewardship month. This year, our theme is "Be Generous," each week this month, we will consider an aspect of generosity. This is also the time when we encourage members and friends to consider their financial pledges in support of the work and witness of the congregation in 2025, as well as committing to serve in some area or ministry. We encourage you to give generously of your time, talents, and treasure as we work together to build up the congregation, expand our mission to the community, and find new ways to reach others for God's kingdom. God bless you, and may you always be a wise, faithful, and generous steward of God's gifts.
